Dear Mr. Wagner,

Below you will find our endorsement for the RightCare Foundation.
Let me know if there is anything else you need.
Thank you for your efforts and commitment to our community.

This memorandum presents our endorsement of The Rightcare Foundation. It is very important to be well informed and take an active role in managing the healthcare for you and your family. However, most people are unfamiliar with how to navigate and evaluate the healthcare system to receive the best care possible. The tools and resources offered by The Rightcare Foundation are extremely useful to help with this process, and we strongly support their mission and dedication to the community.

Respectfully,

Shari Brand, MD., FAAEM, FAEMS
